- 25X1X 1. The Northeast Bureau of the Chinese Communist Party has established a training center in Dairen at San Ch'un Ting (三春町). There are 51 male students and 17 female students enrolled in a six months' course. All of the students are between the ages of 18 and 20 and are members of the Chinese Communist Party.
2. There are in addition 120 students between the ages of 18 and 40, not regular Chinese Communist Party members, who are attending short training courses at the center. These students are divided into two groups. One group receives instruction on Mondays, Wednesdays and Fridays and the other group on Tuesdays, Thursdays, and Saturdays. The courses include administration, finance, economics, and the study of local problems. Instruction is in the form of lectures, discussion meetings and critiques.
